## **Brief Industrial Profile of Banka District**

1. General Characteristics of the District- Banka district formed on 21 February, 1991. Earlier it was a Sub-Division of district Bhagalpur. The area of district is 3019.05 sq km. The district is industrially not sound. However the availability of food based products and raw materials there is good future or food processing industries in the district. The main crop of district is rice. There are many howlers for processing of rice and there are good prospects for rice mills, tomato and flour mills. The district headquarters Banka is directly connected with the railway line as well as road. However the poor availability of electricity is main hurdle in the industrial development of the district. The district is agriculturally sound and rich in forest based products such as woods, mahua maze etc. therefore there is ample scope for food processing and agro based industries. The district is known for its rich tribal culture and its handicrafts and handlooms. The homemade Khadi and silk of the area are popular. Most of the raw silk cocoon is produced in Katoria. In fact, major part of the raw materials required for silk industry in Bhagalpur is supplied from Katoria, District Banka. Gur Producing Mills in Amarpur circle area based on sugarcane. Traditional Tasar cloth weaving is doing well at village Katoria in Amarpur Block area. There are almost thousand weavers families involved in Silk Weaving in the village Biraidih Churaili, Masuriya, Dumra, Jagay of Banka Urban areas. There are good colleges and technical institutions e.g. Adwaita Mission Institute of Technology (AMIT), Bounsi, Banka, Adwaita Mission Training College, Banka, etc. There is a Power Grid Sub Station of 400/132 KV working at Bhagalpur Hathidaah Highway, Banka which is receiving power from NTPC, Kahalgaon, Bhagalpur and distributing the power upto Munger district.

1.1 Location & Geographical Area: The district is located in the eastern Bihar which surrounds Bhagalpur Dist. In North, Deoghar district In South, Godda district In East, Munger district in west. The area of district is 3019.05 Sq KM.

1.2 Topography-The landscape of the district comprises Gangatic plane area and the hilly area which is the part of Chotanagpur plateau. The Gangatic plane is rich in agriculture.

### 1.3 Availability of Minerals:

- Sand:- Chandan and Orhni rivers bring a large deposit of sand with its water in rainy seasons the district earns a large amount by auctioning these Ghats of sand.
- China Clay:-Among the minerals in the district deposits of China Clay, Fire Clay and Mica have been exploited. China Clay is found in Samukhiya near Banka and Satletwa in Katoriya circle China Clay of good quality is found in Patherghatta hill in village Madhorampur. The mining is worked by Bhagalpur Potteries Ltd. Accordingly; a ceramic state has been established near Samukhiya. Fulhara in Katoriya circle has deposit of Mica also.
- Granite:- Deposit of Granite and Galena are also believed to occur in certain belts of Katoriya Block near Tonapathar.

1.4 FOREST: There are forest in Banka district in 14.81% of land measuring 107189.78 acres of land in the forest of Banka district there are various types of wood and bamboo available in the forest mahua is produced which is used for making liquor in the forest product based industries one of the main product is paathaa plate .

1.5 Administrative set up: The district is divide in 11 blocks namely Banka, Barahat, Bausi, Amarpur, Sambhuganj, Belhar, Rajaun, Dhuraiya, Katoria, Chandan, Phulidumar with headquarter office at Banka.

1.6 Culture & Heritage: A famous temple dedicated to the Hindu goddess Durga is located in Jagatpur, Karharia, Kushmaha, Saharna, Laxmipur Dam, Banka, Babhangama, Chandan. Every year during Durga Puja, devotees from many parts of India visit this temple. Two temples—Narshimha (one of the incarnations of Vishnu) Temple and Digamber Jain Tirthanakar—are located at the top of a mountain known as Mandar Parbat, which is about 500 metres (1,600 ft) tall and made of a single piece of stone. The management of the Narsimha temple is under a trust. There is also a very old Avantika Nath temple at the bottom of Mandar Parvat. The Avantika Nath Temple Trust, founded by the late Babu Biro Singh of the village of Sabalpur, looks after the temple. Kailash Pathak is the Sevayat of the Avantika Nath temple. A famous temple of Lord SHIVA is in Jethore hill near Chanan river. The literal meaning of Jethore is jyesth means elder Gaur means brother of Deoghar temple. Maa kali mandir in KAMALPUR village is a famous temple. A Mahalakshmi temple is located in front of Paapharni Pond. Recently a Lakshminarayan Temple was built in the centre of Paapharni through the

contributions of local people. It is managed by a trust headed by Fateh Bahadur Singh of erstwhile Sabalpur state. 3 km East from Rajoun Village MAHADA is situated, which is famous for goddess Ārḡa Mandir, Kali Mandir and God Shiva Mandir.

#### 5. General issues raised by Industry Association during the course of meeting:

There is no registered Industry Association in Banka. However, during interaction with District Industries Centre, Banka, the issues raised related to setting up of an Industrial Area, ample scope of setting up of food processing units with Govt Assistance especially Tomato processing units. Banka is strategically located near the source of raw materials for heavy industries. Its proximity to Jharkhand (bordering Deoghar, Dumka, and Godda) and the River Chandan makes it a very strong contender for coal-based power plant investment.
